

## These things are important to know

If they are important to you - you've come to the right place

1. We provide behaviour management, ADHD, Autism, PDA, Mental Ill Health and Dyslexia training
2. All our trainers are actual qualified teachers
3. Our evaluation feedback rates 99% of our sessions as Good and Excellent
4. Training is current, practical and completely transferrable to own practice
5. Pedagogical approaches are demonstrated and embedded into training sessions
6. We don't just work with teachers and NQTs , we have programmes for learning support assistants and higher level teaching assistants, too
7. We can provide half day training on non-peak dates (ie any dates except those that fall just before, and after, end of term holidays)
