

**In-House CPD/INSET – Whole Day or Half Day**

**Strategies for Supporting Learners with PMLD**

### **Profound and Multiple Learning Difficulties**

This one day course has been designed for Tutors and LSAs who are working with PMLD learners or who would like to move into this field of work. The aims of the session are to develop a foundation for effective communication through sensory activities for teenagers and adults with PMLD.

Session content:

- Explore and understand the meaning of PMLD
- Share attitudes and assumptions
- Summarise the main legislation and government policies that affect people with PMLD
- Develop your communication skills
- Listen and create your own sensory story
- Learn about sensory lesson planning and resources
- Strategies for an outstanding lesson
