

Success for learners with ADHD

Sometimes behaviour associated with ADHD gets in the way of learning and creates an unwelcome and stressful class environment. Simple strategies, used often, can make significant improvements. In this session we'll look at the causes and triggers of poor behaviour and how to implement preventative practices.

- Understand what it means to have ADHD
- Learn more about the barriers to learning
- Use pedagogy to improve engagement
- Discover simple and proven strategies to make reasonable adjustment for students with ADHD
