

## **Techniques for a Calmer Classroom (behaviour management)**

Sometimes behaviour gets in the way of learning and creates an unwelcome and stressful learning environment. Simple and proven strategies, used regularly, can make significant improvements. In this session we'll look at the causes and triggers of challenging behaviour with low engagement, and provide techniques to overcome these.

- Use emotional intelligence with your students
- Recognise the difference between behaviour you dislike and behaviour which stops learning
- Learn verbal approaches for greater success
- Know how to use a variety of strategies to increase your classroom management
